

## PISANIE

- 1 I want to share my thoughts about something I've seen recently.

Yesterday I seen **4** some childrens **7** from my neighbourhood kicking a

ball among the rubbish bins as usual. The ball rolled into the street and I stopped a boy which **3** was going to run after it.

**who**

Kids in our city haven't got anywhere to play outdoors. Meanwhile, our city council ✓ going **6** to build a huge modern stadium for thirty million euros. Our 'leaders' have got their priorities wrong.

**is**

A stadium don't **5** make the lives of ordinary citizens better. It's only

**doesn't**

usefull **9** to people who make money out of big events. Our city need **2**

better hospitals and roads. It needs also **8** places where children can play safely.

What do you think? If you agree with me, please sign my online petition to ✓ city council **1**. Let's ask for playgrounds instead of stadiums!
