**Examiner** Tell me about a trip on which you had some problems.

**Student** OK ... It was last Saturday. My family decided to visit some friends in their holiday home. The problems started as soon as we set off. We couldn't get out of the city, as there were massive <sup>1</sup> \_\_\_\_\_ jams everywhere. Once we got onto the <sup>2</sup> \_\_\_\_\_, it got better. After a while we stopped at a <sup>3</sup> \_\_\_\_\_ station, filled up the tank and had something to eat. And then as soon as we started again, we had a flat <sup>4</sup> \_\_\_\_\_. I helped my dad change the wheel. After that, it was already quite late and Dad started driving quite fast – over the <sup>5</sup> \_\_\_\_\_ limit, in fact. Mum asked him if the <sup>6</sup> \_\_\_\_\_ weren't working and he looked embarrassed and slowed down. When we finally got off the motorway at <sup>7</sup> \_\_\_\_\_ 17 and turned into a minor road, we were all really relieved.

### Bed and Breakfast

Bed and breakfast, or B&B, is a popular form of accommodation in the UK. As the name suggests, B&Bs normally offer overnight accommodation and breakfast, but no other meals. Bed and Breakfasts are usually private homes where just a few bedrooms are used for paying guests.
